Nobody did?

The 7th Machinery Division was wiped out in the St. Wall incident.

And the General was the only survivor...

Even if we accept that he's been alive for the past 11 years,

what has he been doing up until now? Why did he kill his former superior?

And also... if anyone related to that incident survived, we would have heard about it...

The loss of the General is hard on us, but we can't do anything about it.

Chief!

That's enough, White Snow.

Keep on investigating.

...what're
ya tryin'
to say?

It's really
disgraceful,
you know--

Just that
you're not
used to
training
others.

they still had
an *easy* time
taking out
their target!

That's right~!
Even with two
Breakers,

I don't know if
they changed
their plans or if
it was according
to plan or what.

I waited at the
rendezvous point,
but the funeral
girl never
showed up.

And what
about you,
Bee-kun?

SHE
WASN'T A
HUMAN!!

Eh,
even if they said
she's strong,
she's still
just a human.
It'd be easier than
going against a
Clockwor...

Stop,
Machina-
sama!
You need
to sleep!

SHE WAS
NOT A
HUMAN!!

...what
do you
mean?

ハクシ

That's right,
let's go!

You get
your rest.
It's strange
enough that
you're still
alive.

That level
of skills
fundamentally
different from
a human's.

She took out
the old man
from a position
where she
shouldn't've
even been able
to see 'im.

she didn't
just get
behind me...

No doubt
about it...
that was a
human-type
Clockworker.

a Facsim Ilië.

BUT
THEY
ALREADY
EXIST!

Those are
still at the
theoretical
stage!
I've never heard
of a complete
one...

Impossible...
a human-type
clockworker...!!?

...if he's still
coming up
with new
Clockworkers...

That guy
called
Valentine or
whatever...

I... have
to stop
him!

Give me
all the
information
you have
about him!

Nope.

WHAT?
IF

And if we don't
want the enemy
to go about as
they have been,
then all the
more reason.

Because I
don't want
you to go
and get
yourself
killed.

Calm down.
We still haven't
received any
information
yet ourselves.

And even
if we had,
I wouldn't
hand it over to
someone who'd
just go off on
their own.

THAT'S NAIVE!
IF WE DON'T
CUT IT OFF
FROM THE ROOT,
THERE'LL BE NO
END TO THIS!!

Just leave
this matter
to the
investigative
team,
you go
and get
your rest.

.....

It's yer
first day,
ain't it?

How
long're
ya gonna
keep
feelin'
left out?

If ya keep
this up,
ya won't be
able ta do
yer job.

Forget about
the old man
already,
he ain't yer
concern.

Such an
annoyin'
broad...

...you're all
so cold.

DONT
FOLLOW
ME!

Going
outside
in your
condition
lol...

Um,
Machina-
sama?
Where are
you...

Shut up!

My apologies.
If I had
stepped in
back then...

33 Volaks et.

...what
are you
playing
at?

Machina-
sama...

It's hard
to believe
that this
happened

C'mon,
there's
no way he
coulda
did this!

Anyways,
we're taking
this kid
to HQ.

I called
Oakley,
but how
long are ya
gonna wait
here?

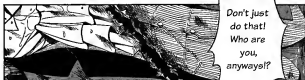

Seriously,
you cops
just don't
listen!

Oh, WHO
THE HELL
ARE YOU?

Hey, kid.
People make
mistakes
sometimes...
ya just
gotta hang
in there.

WHO
KILLED
HIM!?

Hey,
quit
it!!

DID YOU
SEE HER
OR NOT!?
SPILL IT!!

YOU DON'T
HAVE THE
GUTS
TO DO
SOMETHING
LIKE THIS!

I KNOW IT
WASN'T
YOU!

U-
um,
uh...

...WAS IT
A GIRL IN
FUNERAL
CLOTHES!?

He ain't
"this
punk,"
he's
LUKE!!

Are you
suggesting
that I show
some
CONCERN
for this
punk?!

Why
don'tcha
just wait
'till he
calms
down?

The kid's
in shock!

Oh,
so he has
a name?

— IT AIN'T
A HOBBY,
I'M BEIN'
SERIOUS
HERE!!

I don't have time
to put up with
your hobbies!!

THE
SUSPECT'S
ESCAPING!
AFTER HIM!

Oh,
WAIT!!

!?

Ain't we friends?

N-
"nothin'
to do
wit'
me"...

For you to
be rushin'
like that,
there must
be somethin'
wrong.

It's
NOTHING!

What
happened?
You can
tell me.

IT HAS
NOTHING
TO DO
WITH
YOU!!

And it
ain't
just me!

Deus and
Cendrillon too,
we're all...

But I don't
see it like
that!

Okay,
our relationship
is nothing
more than
superior and
subordinate.

Friends...?

Well,
that's how
it might be
for you!

You
don't
under-
stand...

...and
neither
does
anyone
else...

...and I
have no
intention
of having
anyone else
understand

...I'm...

...that this
blood of
mine is
cursed...!!

Give
me a
break..

Didn't
I tell you,
Oakley?

When we
first met...

the ones
who brought
Clockworkers
into the
world!!

...from
the
Exequia
clan,

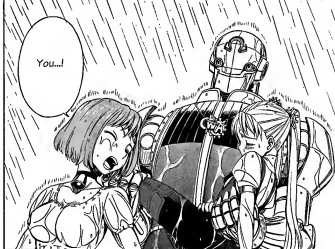

As if...
you'd
under-
stand...

I DON'T
NEED
ANYTHING
LIKE THAT!!

I don't...
have any
"friend"

And what happened with those customers who came from Barbara?

No, nothing...

Any last words from Rumbel-kun?

Also...

I saw evidence of contact with the CWA, so I took care of them.

It was just as Will said.

I encountered the Exquisite girl.

I see...

She isn't currently a threat.

with our
plans.

Then let us
proceed

It'd be better
if she was
at HQ or
the hospital..

Please
forgive us,
Oakley-dono.

this place's
like the bare
minimum..

But for
her to get
messed up
this bad..

Because she
wouldn't want
anyone to see
her in this state..

This time wasn't the kind of problem that could be dealt with on your own.

But she went off on her own anyways, all full of herself...

...Machine-sama understands that she bears no direct responsibility for it.

How-
ever...

You don't hafta say.

But...
the Exequies
ain't around
any more.

So it ain't
necessary to
feel bound by
'em anymore...

but we've been
together for
five or six
years now.

But since
you guys
still haven't
opened up...

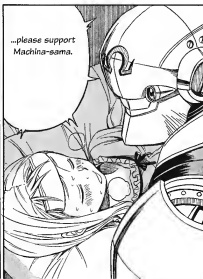

But I guess
that can't
be helped.

I wouldn't
get it,
even if ya
told me...

I don't know
what you all
went through
before we met,

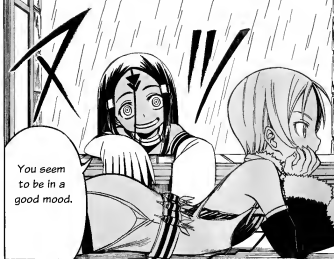

(note: kijibato = oriental turtleskins)

You seem
to be in a
good mood.

Bee.
You're hiding
something
from me,
aren't you.

Wh-
what
is it?

We seem to
have found
the body of
that source
you were
talking about.

What
do you
mean?

Ch...
CHIEFI?

!?

ufufufu

You used
Clockworkers
on a human,
didn't you.

And on his body,
there was a
stab wound.

...you leaving
someone
connected to
Valentine alone
without even
restraining them.

I thought
it was
odd...

No, the
opposite.

Aside
from that,
you left
him alone
without doing
anything else.

...you're
trying to
say that I
killed him?

You were waiting
for her to make
contact with
your source.

And your
report that
"the girl in
funeral clothes
never appeared"
was a lie too,
wasn't it.

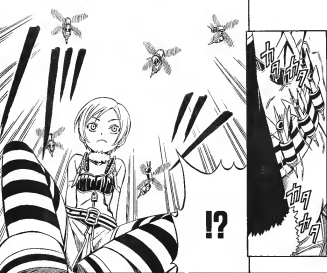

Am I
wrong?

so you laid a
trap for her
beforehand.

And
where's
your
proof?

but one
is missing.

There
should
be six
Bad End
in all.

One,
two,
three,
four,
five...

It's no use,
they won't
follow your
orders.

Return!

It looks like these are the type that activate by "sound."

And they were designed to operate on a certain frequency.

Since the second generation isn't as autonomous as the previous one,

they can't take another action before they carry out their previous orders, right?

I'm the one who designed them, so I'm the only one who should know that...

.....

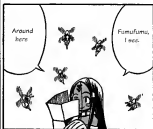

I could tell just by looking.

Just who do you think I am?

Who...
but I'm the
one who
found him!

Well,
let's go
investigate.

Around
here

Fumufumu,
I see.

The
enforcement
side shouldn't
be breaking
the rules.

Looy

CWA law:
"Never use
Clockworkers
against
humans."

If you're
really aiming
for my seat,
that is.

Maybe you
should follow
the straight-
and-narrow
next time.

You're
grounded
for the
time
being.

GYAA
AAAA!!

I'll at least
spare your
research.

But don't
despair,

Your only
mistake was
being human.

Even though
this is
the perfect
opportunity
to have your
revenge...

You are
just a
brat,
after all...

What a
surprise...

...ha...
haha...

Well?

...you
don't
have the
courage
to kill
someone.

It's over.

Machina-

So you're

WHOA!!

You
haven't

reports
from HQ?

Nope...

Really,
now.

Dunno...

But...

Okay,
what's
happened
since
then?

Where'd you put that...

You mean 'that'?

It's a job I got from HQ.

note: "shou" = shot

You should've said that from the start.

12

You weren't doin' well, so I didn't want you runnin' around.

I was lyin' just now.

It's the type of thing that you're interested in.

There's another reason I didn't want you runnin' around.

If possible, I'da preferred to pass it off onto someone else...

I know that.

Eh...
Y- yes.

Get ready,

I won't forgive

I'll definitely
destroy them

Besides...
it doesn't matter
anymore.

Why.

...y'yeah.

By the
way,
Luke-

Are you
okay with us
not helping
you look
for your
friends?

...but I couldn't
figure out how
to do that....

I came here
because I was
supposed to
get stronger...

...I don't
know
anymore.

I'm not going
back to that
person's
place...

So....

Scary...
cold...

That
person
is...

She was
cruel...

You

That

What kind

she was so
amazing and
beautiful.

When she
showed up in

But she was
really cool.

Telling this
stuff to

I just met,
I must be
really
annoying.

Heh,
what am
I saying?

Luke-

...that
might
be it.

So you
admire her.

I can't do
a thing
she said...!

But lately,
I've been
nothing
but talk..

Though they weren't tears of regret,

Mary's gone through the same thing.

...it becomes that much easier.

if you have just a little bit of support...

...the tears wouldn't stop.

when I lost someone important to me...

But at times like that, when you're about to fall over from your troubles,

So are you going back, Luke-sama?

Sorry, I got your clothes all wet...

I should at least show my face.

Yeah... they're probably worried about me.

I was running through the rain in a daze, so...

Do you know where you got split up?

That's right!
I might be able
to meet up with
them if I made
it to CWA
headquarters...

Take me to
the station,
please.

After that...
they were
riding a train...

14

?

How many
stations
were on
Rivolta

Eh?

I was
thrown off
mid-way,
so I'm
not sure.

Do you
know which
station?

I'm sorry!
I'm sorry!

I guess we
have no
choice but
to check
each one.

Y- you
said it was
a souvenir,
so...

Huh?
Then why'd
you take it?
Are you
stupid?

So it's

GIVE ME
ANOTHER
CHANCE...

WHY DO
YOU THINK WE
CONSTRUCTED
SUE?

BECAUSE
YOU'RE
USELESS
ON YOUR
OWN.

WE GAVE
YOU A REASON
TO LIVE

AFTER
YOUR SISTER'S
DEATH.

BECAUSE
OF YOUR
TALENT AS
A THIEF.

P...
PLEASE...

PLEASE
GIVE ME
ANOTHER
CHANCE...

BUT WE
DIDN'T EXPECT
YOU TO TURN
IT INTO A
GAME OF
HOUSE.

IN
THAT
CASE...

Finish
what you
started.

I'LL
LET YOU
OFF THIS
TIME.

SINCE YOU'VE
COMPLETED THE
MISSION AS
INSTRUCTED,

This is
your final
chance.

We're back,

You have
to find your

You've got
the freedom
to find your

You'll

DEUS! GET OVER HERE AND DO THIS FOR ME!

Ah, yes!

... MY OWN... ANSWER

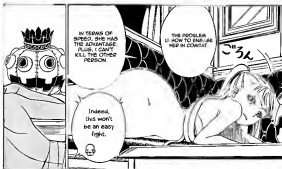

YOU'RE WORTHLESS!

BUT YOU DON'T EVEN HAVE THE BACK TO GO THROUGH WITH IT!

HA! YOU'VE GOT A CHANCE AT REVENGE...

IN MY
EXPERIENCE,
THEIR CORE IS
USUALLY PLACED
WHERE YOU'D
FIND THE

ALTHOUGH

TO
HAPPEN
AGAIN

Stay the hell back or I'll blast off your arms!

NO
MATTER
WHERE
YOU GO.

MARY
WILL STAY
WITH YOU

DON'T
WORRY,
SUE.

TCH!

BUT I
DON'T WANT
TO FIGHT
ANYONE.

I WANT
TO BECOME
AS STRONG
AS ONEE-
CHAN...

I ADMIRE
ONEE-CHAN
VERY MUCH...

I UNDER-
STAND
NOW.

I WANT
TO PROTECT
EVERYONE!

I DON'T
WANT TO
SEE ANY-
ONE DIE.

THIS IS
ALL I CAN
DO RIGHT
NOW.

BUT I
DON'T HAVE THE
COMPETENCE OR
COURAGE...

**NO,
SUE!!**

Take
care of
nee-san.

Hey,
